

## SKIMZ MONZTER | SPECIFICATIONS

Model	Dimensions (mm)	DC Pump	*Watts (W)	Air Intake (L/h)	Power AC100-240V 50-60Hz	For Aquarium (Litre)
SN127	210 x 160 x 510	QPS1.2	8-13	300-540	24V DC/1A	up to 500
SN147	220 x 180 x 530	QPS2.0	11-17	540-780	24V DC/1.5A	up to 900
SM167	220 x 210 x 560	QPS4.0	12-19	900-1,200	24V DC/2.75A	up to 1,200
SM207	280 x 270 x 580	QPS6.0	17-31	1,200-1,920	24V DC/2.75A	up to 2,000
SM257	320 x 340 x 620	QPS9.0	33-41	1,800-2,220	24V DC/4A	up to 3,000

\*Note: These values may vary, depending on the types of skimmers and water level in the sump.

5

The new **Skimz Monzter** protein skimmer has been redesigned to include with a **Gear System Drain Plate**. This unique gear system outlet provides a smooth and easy adjustment for the water height in the skimmer. It uses 70 gear teeth for perfect outlet control.

**Skimz Monzter** skimmer does not utilize bulky outlet pipes which reduces the needed footprint inside a sump. Paired with the new high-performance **Skimz QuietPro** DC pump, that produces an incredible amount of air and water to create ultra-fine foam for optimal waste removal.

The new **QuietPro** DC skimmer pump is a variable speed controllable pump with a high flow rate that uses brushless DC (BLDC) 6-pole synchronous motors for a nearly noise-free operation. This allows for torque at a more constant thrust per revolution of the rotor.

3

1. Gear System Outlet delivers a smooth movement.
2. Pipeless design which reduces the needed footprint inside a sump.
3. New QuietPro DC Skimmer Pump produces an incredible amount of air.

4. Gear System Drain Plate provides an easy adjustment.
5. Twist-lock neck for easy cup removal.
6. Easy Cleaning Air Silencer for easy maintenance.

The **QuietPro** pump allows you to adjust the speed to fit your needs. It also has a slow start-up mode and automatic power-off protection mode. As a safety check, if the pump detects no water or if the inlet gets blocked with debris, the pump automatically enables is power-off protection mode.

**Skimz** has developed the new air silencer for easy cleaning and maintenance.

The new **Easy Cleaning Air Silencer** is adjustable and easy to dismantle. During cleaning, you can unscrew the base plate and take the chamber apart for cleaning.

Skimz Monzter Skimmer has five different models.

**Skimz Monzter MSRP (SGD):**

- SN127 - S\$219
- SN147 - S\$249
- SM167 - S\$438
- SM207 - S\$558
- SM257 - S\$688
